Eric Viklund McCormick School of Engineering, Northwestern University

Technological Institute, 2220 Campus Drive, Evanston, IL 60208, USA

Phone: 860-834-5008
Email: ericviklund2023@u.northwestern.edu
URL: https://github.com/EricViklund

Born: May 23, 1997—Stockholm, Sweden
Nationality: Swedish
Job Number: ACCL23-22
Starting Date: October, 2024

Current and Past Position

Since 2019 *Graduate Student*, McCormick School of Engineering, Northwestern University
2017-2019 *Manufacturing Engineer*, GKN Aerospace, Newington, Connecticut, USA

Research Experience

2016-2019 Undergraduate Research Assistant – High Vacuum and Cryogenic Equipment
2019-2024 Graduate Researcher – SRF Technology, Thin Film Science, Surface Characterization

Education

2019 BS in Physics, *Summa Cum Laude*, University of Connecticut
Exp. 2024 PhD in Materials Science, Northwestern University

Grants, Honors & Awards

2022 Accelerator PhD Program, Fermi National Accelerator Laboratory
2023 IPAC'23 Student Grant

Service to the profession

2023 Peer Reviewer for Physical Review Accelerators and Beams
2017-2019 University of Connecticut, Student Tutor
2022 Northwestern University, Teaching Assistant

Talks & Presentations

2021, 2023 *Student Poster Presentation*, International Conference on Radio-Frequency Superconductivity (SRF)

2023 *Student Poster Presentation*, International Particle Accelerator Conference (IPAC)

2022 *Oral and Poster Presentations*, Applied Superconductivity Conference (ASC)

2022 *Invited Speaker*, TESLA Technology Collaboration (TTC)

2021 *Invited Speaker*, Cryogenic Engineering Conference/International Cryogenic Materials conference (CEC/ICMC)
